### Did you know?

Our Very Favorite Chicken Tikka Masala, a popular dish in India, is not Indian. It was invented in Glasgow, Scotland

A discretionary charge of £ 1.00 will be added to every bill for our charity of the month

### Did you know?

Biryani can serve as an antioxidant for your organs. The flavour that this dish possesses isn't only through two or three spices. There are an endless number of spices that are mixed with the meat and rice. And every single one of them is just as healthy as the next.

### Did you know?

When Indian pickles are being made, a lot of turmeric powder is added to it. This turmeric powder contains a chemical called Curcumin. chemical has anti-inflammatory properties which help your body to fight against the attack of various bacteria's and viruses.
